The other night dear, as I lay sleeping  
I dreamed I held you in my arms  
But when I awoke dear, I was mistaken  
And I hung my head and cried

You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away

I'll always love you and make you happy  
If you could only say the same  
But if you leave me, to love another  
Well you'll regret it all someday

[chorus]

You told me once dear, that you really loved me  
And no one else could come between  
Well now you've left me, and love another  
You have shattered all my dreams

[chorus]
